PRESS RELEASE

GREAT SWAMP SAUNTER-A Walk on the Wild Side in memory of Norman Boyer

West Kingston, RI

Saturday, May 22, 1:00-3:00 pm

Leaders: Anne B. Wagner and Francis Underwood

Norm Boyer used to slowly drive the back roads of Rhode Island, noting the plants as he went. On this field trip we will saunter along a road in an open section of the Great Swamp Wildlife Management Area noting the plants we see and learning about the habitats we pass through. Every year is a little different, depending upon the weather. Come along with us to see what conditions are like this year. *Newcomb's Wildflower Guide* and a hand lens are always useful to have with you. Boots are optional; the trail is usually dry.

Moderate

Pre-registration required 48 hours prior.
